Our Mission:

The ALS Therapy Development Foundation uses entrepreneurial spirit and techniques to aggressively seek out, develop and deliver promising therapies to slow, arrest and cure ALS. We do this by identifying and filling gaps in the development process and defining and delivering the resources required to transform ideas into concrete therapies available to patients today.

ALS Therapy Development Foundation financial statements are audited annually by Cohen, Greenstein & Company.

The Family and Friends Community

grass roots fundraising at the ALS Therapy Development Foundation raised nearly \$1 Million in 2001.

This fast-growing group of family and friends has increased our motivation and strength to find a cure for ALS. Thank you for sharing your stories and lives with us, and inspiring us to work ever harder to find effective treatments for those patients alive today.

All of us at ALS-TDF extend our sincere thanks to the people that made the following efforts possible and for their courage, love and support.

Alan Inglis Fund	Judy Harrison Fund

THE ALS THERAPY DEVELOPMENT FOUNDATION

acknowledges the following patients and supporters who passed away in 2001.

Our staff extends its deepest sympathies to their families and friends who continued to fight ALS even after their loved ones' death. We envision and work for a future where patients no longer die from ALS and where today's patients are alive, well and enjoying the company of their children and grandchildren.
